Consolidation

Vietnam stock markets continued to go up, the third consecutive session, thanks to a high demand of the foreigners. In addition, according to the General Statistics Office, Vietnam's first-quarter GDP growth fell to 3.82%, the lowest level since 2009 due to the impact of the COVID-2019 outbreak.

At the close, the VN-Index gained 0.27% to close at 696 pts. Trading volume increased to 327 million shares or VND4,119bn. On the Northern bourse, the HNX-Index lost by 0.47% to 97.3 pts as SHB, the most index contributor, decreased 0.8%.

Some large-cap stocks were the market leaders due to VCB (+1.4%), CTG (+1.1%), VIC (+6.1%), VRE (+2.0%), SAB (+3.6%), EIB (+1.9%), and SBT (+6.6%).

In contrast, selling pressure pushed Financial tickers down namely SSI (-4.6%), HCM (-2.8%), BVH (-3.8%), STB (-5.6%), MBB (-3.0%), HDB (-6.9%), and BID (-0.9%). Besides, Seafood and Energy industry underperformed driven by VHC (-3.0%), IDI (-3.5%), ANV (-2.4%), PPC (-0.5%), GAS (-0.9%), and PVD (-4.8%).

Moreover, few constituents of the VN30-Index tumbled more than 1% such as CTD (-1.3%), FPT (-2.4%), HPG (-4.4%), PNJ (-3.5%), REE (-1.2%), and ROS (-5.7%),

Foreign investors reversed to buy with a net value of VND18bn on HSX. They purchased the most VNM, CTG, and VCB with net values of VND60bn, VND41bn, and VND28bn, respectively. On the sell side, MSN, E1VFN30, and STB were in the top of the list.

In the short term, the VN-Index has retested significant resistance at 700 pts, pushing the downside risk high. In addition, selling pressure is still on large-cap stocks. Therefore, traders should stay on the sidelines and wait for the next bullish signal.

Breaking news

Vietnam Ministry of Finance is drafting a new bill in efforts to support severely-affected businesses. In this draft, the policymaker expands a number of sectors eligible for applying to the extension of payments of taxes and land rents. As a result, the support package is expected to reach more than VND80 trn of taxes and land rent payments delay. This aid is considered as crucial and timing for businesses, especially small-and-medium enterprises, in combat with COVID-19 pandemic when the liquidity is a key concern for the survival in the time being. More specifically, the extension is expected to be five months beginning from April 2020. (Vietnam Ministry of Finance)

HPG to increase investment project of Hoa Phat Dung Quat. General Meeting of Hoa Phat group (HOSE: HPG) has approved the adjustment of investment project of Hoa Phat Dung Quat - the expansion phase with the approval rate of nearly 72%. Particularly, Hoa Phat Dung Quat project - the expansion phase has a total investment of VND60,000bn. (ndh.vn)

Disclaimer

This report has been issued by the **KISVN Securities Corporation (KIS)** with the instructional contributions of **KISVN Securities Corporation** whose employees are specified in the publication. This report is for information of its institutional and professional customers.

This report is and should not be construed as an offer to sell or a solicitation of an offer to purchase or subscribe for any investment. No consideration has been given to the particular investment objectives, financial situation or particular needs of any recipient. Investors are advised make their own financial decisions based on their independent financial advisors as they believe necessary and based on their particular circumstances such as their financial situation, investment objectives and other considerations.

In preparing this report, we have relied upon and assumed the accuracy and completeness of all information available from public and other sources which we believe to be reliable, but which we have not independently verified. KIS makes no express or implied guarantee, representation or warranty and accepts no responsibility or liability as to the accuracy or completeness of such information.

Opinions, estimates, and projections expressed are current opinions of the authors as of the original publication date appearing on this report only and the information, including the opinions contained herein, and are subject to change without notice.

KIS and its affiliates may from time to time perform investment banking or other services for, or solicit investment banking or other business from, companies mentioned herein. Further, KIS and its affiliates, and/or their officers, directors and employees involved in the preparation or issuance of this report may, from time to time, have long or short positions in, and buy or sell, the securities, or derivatives (including options) thereof, of companies mentioned herein, or related securities or derivatives in a manner that may be consistent or inconsistent with this report and opinions expressed therein. As a result, investors should be aware that KIS and its affiliates and/or their officers, directors and employees may have a conflict of interest that could affect this report.

This report shall not be copied, reproduced, distributed (in whole or in part) or disclosed by recipients to any other person without the express permission of KIS in writing.
