Vinhomes JSC (VHM)

FY2020 AGM: The top position to be expected

FY20F AGM key takeaways

- On May 29 VHM held AGM briefing for the 2020F business plans.
- Key issues covered were residential launch plan, industrial property investment.

FY20F net profit tops the listed equity market

- Following the FY19 record of net profit in the listed equity market, VHM targets to earn FY20F profit after tax of VND31tn, implying a net profit of VND28tn, +28.7% yoy based on robust revenue of VND97tn, + 87.9% yoy.
- Our net profit forecast is 13.3% lower than management guidance as we factor in our concern on slower economy growth which may dampen VHM's new property sales. No dividend is made in FY20F, contrasting to our previous assumption of 5% cash dividend at par.

New retail property sales plodding

- One new project launched in FY20F is Wonder Park landed-property project 2.6with total 1,500 units. Three current mega township projects including Grand Park, Smart City, Ocean Park continues with subsequent launches.
- We estimate new FY20F retail presales could decelerate by 11% yoy due to 1) slower licensing process has not progressed since 2018 2) the site visits to show flats would not improve until end of 2H20.

Ambitious industrial property development in FY22F-23F

- Industrial property development plan is reconfirmed in VHM's AGM as the company is acquiring a huge land bank up to 10,000ha in the key economic zones, to be among the top three industrial property developers in Vietnam.
